NOTICE

It is hereby, informed to all the PGP -1 students to undertake Summer Internship Programme (SIP). The internship facilitates application of theory to practical, which enables the students to get a feel of real work environment. Apart from building networks, the internship will certainly boost up your confidence levels, which is highly essential to stay motivated always. The internship is a gateway for you to enter into the professional world at the same time improving your CV which enables to convert your internship into final placement.

Indian Knowledge System (IKS) is an Innovative Cell under Ministry of Education (MoE) at AICTE, New Delhi. The rising inequalities around the world in capitalist systems and the failure of communist/socialist economics point to a dire need for new paradigms of development. Hence, it is essential to promote interdisciplinary research on all aspects of IKS, preserve and disseminate IKS for further research and societal applications. It will actively engage for spreading the rich heritage of our country and traditional knowledge in the field of Arts and literature, Agriculture, Basic Sciences, Engineering & Technology, Architecture, Management, Economics, etc.

Interested students may visit <https://iksindia.org/index.php> for further information or contact BCCM Training & Placement Cell.
